

Luminaire Control Gear

Statistics

SAMPLE REPORT

© Lighting Industry Association All Rights Reserved

Working on behalf of the whole of the Lighting Sector, we deliver resources to support the industry by bringing together employers, related organisations and key stakeholders.

We have an instrumental role in maintaining and raising standards in lighting both in terms of performance and safety.

Influencing all aspects of UK, European and international lighting legislation at the highest level we strive to protect the interests of both our members and the sector at large.

Registered in England No. 7850441

Wholly owned subsidiaries of the LIA

A trading division of the LIA

Sales of Luminaire Control Gear

Sales Deliveries in the United Kingdom
